

4 August 1976

Dear Weisberg: Thanks for yours of the 29 July. I may change my mind about applying for all that crap one of these days, out of curiosity or even better motives. Meantime, since I sent you my last card Judge Robert Kenny died- about a week and a half ago; perhaps it didn't get into east coast papers. Good luck to you in your effort to make Dmytryk or his friends disgorge your property.
